

Dear master freshmen,

I welcome you to Bonn and to our university. The first lectures will start on Monday, April 3rd. That's why I want to invite you to a small orientation unit to show you the lecture halls and seminar rooms you need to know. We would meet at 10:00 am after our first seminar on Gerhard-Domagk-Straße 1 in front of the lecture hall building on Monday (April 3). After that I invite you to join me for lunch in the canteen. There I can show you how to set up your card for the canteen (if you want to join please don't forget your student ID). At 3:15 pm the first lecture will start.

If you have any questions you can write me an e-mail ([s6famoel@uni-bonn.de](mailto:s6famoel@uni-bonn.de)) or ask me in person. Another contact for questions etc. for you is the student council ([fachschaft-chemie@uni-bonn.de](mailto:fachschaft-chemie@uni-bonn.de)), their office is room 0.101, Gerhard-Domagk-Straße 1, but I will show it to you, too.

Furthermore I will invite you to our WhatsApp-Group "Master Freshmen Chemistry Begin SSe2023". You can just join with the following link:  
<https://chat.whatsapp.com/C8F7Edg7Ljj0SYVQkdz4Av>

I am looking forward to see you all and I hope we have a good time.

Best regards,

Franziska Möller
