05.02.2024	Anuj	07.02.2024	Houchao
12.02.2024	Heng	14.02.2024	–
19.02.2024	Georges	21.02.2024	Binbin
26.02.2024	Houchao	28.02.2024	Alain
04.03.2024	Binbin	06.03.2024	Zhiyong
11.03.2024	–	13.03.2024	Kizerbo
18.03.2024	–	20.03.2024	–
25.03.2024	Alain	27.03.2024	Anuj
01.04.2024	–	03.04.2024	Heng
08.04.2024	Zhiyong	10.04.2024	Georges
15.04.2024	Kizerbo	17.04.2024	–

Progress Report

Prepare for a 30 min talk about your recent results with an introduction to your topic.

Problems

Problems from the biosynthesis of natural products based on a recent report from the literature. Check the list of previous topics to avoid duplications. Provide some initial information and create an atmosphere for open discussion of the topic. Present the published solution to the problem only after our discussion. After your seminar complete the list of previous topics.
