Instructions

- [1] In addition to this form ***you must provide the following five attachments***
- a) a ***copy of an official identification*** (ID-card, passport)
(The original identification has to be shown during the registration at the university and the examination office)
 - b) a ***passport photograph***
 - c) an ***approved copy of the Bachelor certificate*** (this has to be provided either in a German or an English version)
or
an ***official statement of your current university*** about the classes/modules that you have successfully finished (incl. grades and)
or
a ***certificate of any alternative qualification*** that might qualify you for the admission.
(the bachelor certificate/a certificate of any alternative qualification has to be shown in its original form during the registration at the university)
 - d) a ***copy of the English language proficiency test*** (again the certificate has to be shown in its original form during the registration at the university)
If the proof would be five years of school English please provide copies of the respective school certificates. Please note also [6].
- [2] Please make sure that your e-mail address is correct. You will receive most information concerning the progress of the admission process via e-mail.
- [3] Please fill in only lines 10-13 *or* lines 14-18
- [4] If you have not yet finished your B.Sc. please give the expected date.
- [5] If you have not yet finished your B.Sc. please give the weighted average of the grades you have received so far (s. [1d])
- [6] This kind of proof is only possible for applicants who have attended at least five years of English classes at a German secondary school. Five years of

successful English classes means that the final grade in the fifth year has to be minimum “passed”.

[7] Please provide information about the modules of your Bachelor programme that belong to the specified area (title and amount of credit points). Please note that you have to have passed modules with a sum of 25 credit points in each of these areas within your complete Bachelor programme to be admitted to the programme. Bachelor students/graduates from the University of Bonn do not fill in the lines 20-22.

[8] In case you have already finished your Bachelor thesis please give a short summary of your results. In case you have not yet finished it please give a brief exposé about the subject and your goals.

[9] The CV should give detailed information on your educational background and, if applicable, your activities between the completion of your bachelor studies and the start of the master studies.

[10] Please give the reason(s) why you apply for the M.Sc. programme in Chemistry at the University of Bonn.

Please do send the complete application (pages 1 – 8) including all attachments by surface mail or fax, not by e-mail.

The deadline for applications is the **1st of July** (receipt at the Department of Chemistry) to apply for an admission to the MSc programme in October.
